

EYE SPY SIGNS P/L has developed (and continues to develop) a number of different signs to meet customers special needs.

All signs are available as punched aluminium plates (to suit our post helmets) or box edge steel signs. The speeds shown are indicative only and can be made to your specifications. Speeds on the signs can be made variable by using magnetic rubber overlays. All signs can be made double sided with "END ROADWORKS" on the rear.

IF WHAT YOU WANT ISN'T HERE - TELL US AND WE'LL MAKE IT UP FOR YOU.

ESS -T15-SR
1200 x 600

ESS -Slash-SR
