BIPOD LEGS

Strong and sturdy - they take up little room and are very simple to set up. Ideal for use with Multi Message boards or folded box edge steel signs.

MULTI MESSAGE BOARDS

A highly versatile traffic control and advisory sign system. The frame itself is made from black powder coated steel (size 1260 x 990mm). Accommodates two 600 x 600 mm and one 1200 x 300 mm sign panel. The frames and signage materials all comply with DIER specs. Can use more inserts back to back to make it double sided if required. Usually stands on light or Heavy Duty bipod legs - folding legs also available if preferred. Inserts are available as either corflute or 1.6mm aluminium plate. Class I A or Class I reflective available.
