

Note: The designation 'R5-XX' refers only to the type of sign (i.e. 4P, P 10 minute, Bus Zone etc.) and not to the time conditions, vehicle types, arrows, contents etc.. This content can and does vary depending on what the prevailing restrictions are. The conditions shown on signs below are examples only. The standard size for plates R5-1 to R5-46 is 225 x 450mm.

Parking plates are commonly grouped together when different conditions apply to the same areas at different times, or adjoining spaces have different conditions. Some examples are shown below:
